What is the Student Career Tracking and Education Program?

- The Student Career Tracking and Education Program is a dual purpose program that aims to bring pharmacy students in the Baltimore and Washington DC Metropolitan areas together, with the purpose to provide students with networking opportunities and career guidance in various pharmacy leadership and practice areas and, to strengthen professional partnerships and relationships between students and the Washington Metropolitan Society of Health-System Pharmacists (WMSHP).
- The program also seeks to stimulate professional and educational growth for pharmacy students and professionals alike by providing a collegiate atmosphere to earn pharmacy continuing education (CE) credits through our ACPE-accredited providers.

How can I sign-up for the program?

- **[Click here](#) to RSVP by November 14th, 2016!**
- ***Act fast, space is limited!***
- ***Open to students, technicians and pharmacists***
- ***WMSHP will hold a discounted membership offer to join on site. Check website for details (wmshp.org)***
- ***Those who wish to obtain CE credit will also receive further instructions on CE registration once RSVP is submitted.***
