Learning Objectives (Pharmacists):

At the completion of this knowledge-based activity, the participant will be able to:

1. Describe the components of cannabis plant and their effects on the human body.
2. List the symptoms most commonly treated with medical cannabis and summarize the evidence for each condition.
3. Describe important medical cannabis counseling points, including administration, drug-drug interactions, and potential short- and long-term adverse effects.
4. Summarize federal and state cannabis regulations and the ramifications for medical use.

Learning Objectives (Pharmacy Technicians):

At the completion of this knowledge-based activity, the participant will be able to:

1. Describe the components of cannabis plant and their effects on the human body.
2. List the symptoms most commonly treated with medical cannabis and summarize the evidence for each condition.
3. Describe important medical cannabis counseling points, including administration, drug-drug interactions, and potential short- and long-term adverse effects.
4. Summarize federal and state cannabis regulations and the ramifications for medical use.

- Target Audience: Pharmacists and Pharmacy Technicians
- Fees for the activity: The event is free for WMSHP members. The cost for Non-members is \$5.
- Amount of CPE credit: 1.0 Credit Hours (0.1 CEU's)

The University Of Maryland School Of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity meets the ACPE criteria for 1.0 contact hours (0.1 CEUs) of continuing education credit. Documentation of continuing education credit will be posted to participants' CPE Monitor account 60 days of the activity to those who successfully complete the activity. Successful completion of this activity requires logging into the webinar, participation in the entire activity, and the completion of an online activity evaluation form. This activity is jointly provided by the Washington Metropolitan Society of Health-System Pharmacists (WMSHP). No commercial support was received for this activity

Universal Activity Number (UAN): 0025-9999-20-056-L01-P; 0025-9999-20-056-L01-T

Technical requirements: <https://support.zoom.us/hc/en-us/articles/360043484511-System-requirements-for-Virtual-Background>

Acknowledgements and thanks for the Program success to the presenters and faculty, Dr. Lana Konigsberg and Dr. Leah Sera, and the WMSHP Program, Membership and Communication Committees
