Learning Objectives (Pharmacists):

At the completion of this knowledge-based activity, the participant will be able to:

1. Review the most recent data on covid19 impact in patients with diabetes
2. Identify possible prognostic indicators in patients with diabetes and Covid-19
3. Discuss the impact of pharmacists in improving outcomes

Learning Objectives (Pharmacy Technicians):

At the completion of this knowledge-based activity, the participant will be able to:

1. Review the most recent data on covid19 impact in patients with diabetes
2. Identify possible prognostic indicators in patients with diabetes and Covid-19
3. Discuss the impact of pharmacists in improving outcomes

- Target Audience: Pharmacists and Pharmacy Technicians
- Fees for the activity: The event is free for WMSHP members. The cost for Non-members is \$5.
- Amount of CPE credit: 1.0 Contact Hours (0.1 CEU's)

The University Of Maryland School Of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity meets the ACPE criteria for 1.0 contact hours (0.1 CEUs) of continuing education credit. Documentation of continuing education credit will be posted to participants' CPE Monitor account 60 days of the activity to those who successfully complete the activity. Successful completion of this activity requires logging into the webinar, participation in the entire activity, and the completion of an online activity evaluation form. This activity is jointly provided by the Washington Metropolitan Society of Health-System Pharmacists (WMSHP). No commercial support was received for this activity

Universal Activity Number (UAN): 0025-9999-20-061-L01-P; 0025-9999-20-061-L01-T

Technical requirements: <https://support.zoom.us/hc/en-us/articles/360043484511-System-requirements-for-Virtual-Background>

Acknowledgements and thanks for the success of the Program to the presenter and faculty, Dr. Saba Gidey, Dr. Patricia Rohman, Dr. Estela Lajthia, and the WMSHP Program, Membership and Communication Committees.
