Washington, DC 20002

Learning Objectives (Pharmacists):

At the completion of this knowledge-based activity, the participant will be able to:

1. Define sexual and gender minority populations and provide helpful terminology to describe sexual orientation and gender identity.
2. Discuss obstacles in medical care for LGBTQ persons.
3. Review updates in HIV drug therapy management.
4. Explain US Preventive Service Task Force (USPSTF) guidance on pre-exposure Prophylaxis.

Learning Objectives (Pharmacy Technicians):

At the completion of this knowledge-based activity, the participant will be able to:

1. Define sexual and gender minority populations and provide helpful terminology to describe sexual orientation and gender identity.
2. Discuss obstacles in medical care for LGBTQ persons.
3. Review updates in HIV drug therapy management.
4. Explain US Preventive Service Task Force (USPSTF) guidance on pre-exposure Prophylaxis.

- Target Audience: Pharmacists and Pharmacy Technicians
- Fees for the activity: The event is free for WMSHP members. The cost for Non-members is \$5.
- Amount of CPE credit: 1.0 Credit Hours (0.1 CEU's)

The University Of Maryland School Of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity meets the ACPE criteria for 1.0 contact hours (0.1 CEUs) of continuing education credit. Documentation of continuing education credit will be posted to participants' CPE Monitor account 60 days of the activity to those who successfully complete the activity. Successful completion of this activity requires logging into the webinar, participation in the entire activity, and the completion of an online activity evaluation form. This activity is jointly provided by the Washington Metropolitan Society of Health-System Pharmacists (WMSHP). No commercial support was received for this activity

Universal Activity Number (UAN):

0025-9999-20-072-L02-P;

0025-9999-20-072-L02-T

Technical requirements: <https://support.zoom.us/hc/en-us/articles/360043484511-System-requirements-for-Virtual-Background>
