Learning Objectives (Pharmacists):

At the completion of this knowledge-based activity, the participant will be able to:

1. Discuss the challenges of assessing kidney function in transgender patients.
2. Summarize the kidney toxicities of tenofovir when used for pre-exposure prophylaxis and for treatment of HIV infection.

Learning Objectives (Technicians):

At the completion of this knowledge-based activity, the participant will be able to:

1. Discuss the challenges of assessing kidney function in transgender patients.
2. Summarize the kidney toxicities of tenofovir when used for pre-exposure prophylaxis and for treatment of HIV infection.

- Target Audience: Pharmacists and Pharmacy Technicians
- Fees for the activity: The event is free for WMSHP members and \$10 for non-members.
- Activity length: 1.0 Contact Hours (0.10 CEUs)

The University Of Maryland School Of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity meets the ACPE criteria for 1.0 contact hours (0.10 CEUs) of continuing education credit. Documentation of continuing education credit will be posted to participants' CPE Monitor account 60 days of the activity to those who successfully complete the activity. Successful completion of this activity requires logging into the

webinar, participation in the entire activity, and the completion of an online activity evaluation form. This activity is jointly provided by the Washington Metropolitan Society of Health-System Pharmacists (WMSHP). No commercial support was received for this activity

Universal Activity Number (UAN):  
0025-9999-21-018-L02-P

0025-9999-21-018-L02-T

Technical requirements: <https://support.zoom.us/hc/en-us/articles/360043484511-System-requirements-for-Virtual-Background>

Acknowledgements and thanks for the Program success are expressed to the presenters and faculty, Ms Yildiz Voyles and Dr. Jesse Rungkitwattanakul; and the WMSHP Program, Membership and Communication Committees.
