

## Washington Metropolitan Society of Health-System Pharmacists

Dear Members and Colleagues,

WMSHP would like to announce a Live Virtual Educational and Continuing Education (CE) Program for pharmacists and technicians.

Please join us for a two part educational event on **Tuesday, April 6, 2021, at 6 pm EST.**

Registration is required for the event.

*Note: **Registration is due by no later than April 4th** when the site will close.  
Register early as space is limited.*

The event is free for members. The cost for non-members is \$10.

Please share with your colleagues/co-workers/staff members.

Registration link for Members and Non-members: <https://www.surveymonkey.com/r/04062021>

Payment Link for Non-members: <http://wmshp.org/event-registration.php>

We also encourage you to renew your membership if you have not done so already.  
You can join/renew your membership by going to <http://wmshp.org/membership-form.php>.

# Washington Metropolitan Society of Health-System Pharmacists

\*\*\*\*\*

### 6:30 pm: Symposium CE Program:

Moderator: Dr. Dhakrit (Jesse) Rungkitwattanakul; President Elect, WMSHP

CE Presentation title: "FDAs Postmarketing Drug Safety Surveillance System"

**Faculty/Presenter: Dr. Melissa Reyes, MD, MPH, DTMH, LCDR, USPHS**  
Division of Dermatology and Dental Products (DDDP)  
Office of New Drugs, CDER, FDA

#### Learning Objectives (Pharmacists):

At the completion of this knowledge-based activity, the participant will be able to:

1. Describe FDAs postmarketing drug safety surveillance system.
2. Identify the components of postmarketing reporting and signal detection.
3. Summarize how adverse event reports are collected and analyzed by FDA.
4. Describe how safety findings are communicated to the public.

#### Learning Objectives (Pharmacy Technicians):

At the completion of this knowledge-based activity, the participant will be able to:

1. Describe FDAs postmarketing drug safety surveillance system.
2. Identify the components of postmarketing reporting and signal detection.
3. Summarize how adverse event reports are collected and analyzed by FDA.
4. Describe how safety findings are communicated to the public.

- Target Audience: Pharmacists and Pharmacy Technicians
- Fees for the activity: The event is free for WMSHP members. The cost for Non-members is \$5.
- Amount of CPE credit: 1.0 Credit Hours (0.1 CEU's)

The University Of Maryland School Of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity meets the ACPE criteria for 1.0 contact hours (0.1 CEUs) of continuing education credit. Documentation of continuing education credit will be posted to participants' CPE Monitor account 60 days of the activity to those who successfully complete the activity. Successful completion of this activity requires logging into the webinar, participation in the entire activity, and the completion of an online activity evaluation form. This activity is jointly provided by the Washington Metropolitan Society of Health-System Pharmacists (WMSHP). No commercial support was received for this activity

Universal Activity Number (UAN): 0025-9999-21-035-L05-P; 0025-9999-21-035-L05-T

Technical requirements: <https://support.zoom.us/hc/en-us/articles/360043484511-System-requirements-for-Virtual-Background>

*Acknowledgements and thanks for the success of the Program to the presenter and faculty, Dr. Ferdaus Hassan, Dr. Melissa Reyes, and the WMSHP Program, Membership and Communication Committees.*
