

WMSHP would like to announce a Live Virtual Educational and Continuing Education (CE) Program for pharmacists on Wednesday, October 18, 2023, with a WMSHP Delegate Legislative Committee update before the CE from 6:00 PM to 8:20 PM offering up to 2 contact hours of ACPE approved continuing education hours.

Special thanks to our WMSHP legislative committee update followed by our CE speakers and to the University of Maryland School of Pharmacy for their support in facilitating the accreditation process.

Registration Required to Attend Virtually for Zoom Program

Link from new website to register: <https://wmshp.org/event-5448283>

Register before Tuesday October 17th at 12 pm when registration will close.

Zoom Link to attend will be emailed from the website to registrants after registration closes

\$0 → Free for members!

\$20 for 2 CE hours for non-members (\$10 per CE hour)

Program schedule at a glance

WMSHP Leadership - Introductory Remarks and Moderate Zoom Seminar

6:05 pm: WMSHP Delegate Legislative Committee Update

6:15 pm: CE on Treating Patients with Chronic Pain Who Also Have an Opioid Use Disorder

7:15 pm: CE on Heart failure and cardiomyopathy therapeutics updates

6:05 pm to 6:15 pm: **“WMSHP Delegate Legislative Committee Update”**

6:15 pm to 7:15 pm: **“It’s All About the Dopamine Ladies... And Gentlemen! Treating Patients with Chronic Pain Who Also Have an Opioid Use Disorder.”**

Dr. Jasmine Ebron, Pharm.D., BCACP
Pain Management Clinical Pharmacist and Addiction Medicine Pharmacy Fellow
Kaiser Permanente Mid-Atlantic States

UAN: 0025-9999-23-101-L08-P
Amount of CPE credit: 1.0 contact hour (0.1 CEU)

At the completion of this application-based activity, the participant will be able to:

- 1) Describe the brain changes that occur with chronic opioid therapy and opioid use disorder
- 2) Recognize language that is stigmatizing, and harmful versus preferred non-stigmatizing language
- 3) Recognize the different formulations of buprenorphine for pain management and opioid use disorder
- 4) Apply guideline recommendations when treating chronic pain patients with a history of opioid use disorder

Disclosure Statement: Dr. Ebron, faculty for this activity, has no financial relationship(s) to disclose. None of the planners for this activity have financial relationships to disclose.

7:15 pm to 8:15 pm: **“Heart failure and cardiomyopathy therapeutics updates.”**

Dr. Brandon Beers, Pharm.D., BCCP
Clinical pharmacist and residency coordinator
Alamance Regional Medical Center

UAN: 0025-9999-23-102-L01-P
Amount of CPE credit: 1.0 contact hour (0.1 CEU)

At the completion of this knowledge-based activity, the participant will be able to:

- 1) Summarize the literature evaluating new agents for heart failure with reduced ejection fraction management
- 2) Recommend appropriate implementation and monitoring strategy for new heart failure medications
- 3) Apply current guideline recommendations and pertinent literature to a patient-case regarding the management of HCM with obstruction
- 4) Compare and contrast current management recommendations for obstructive and non-obstructive HCM

Disclosure Statement: Dr. Beers, faculty for this activity, has no financial relationship(s) to disclose. None of the planners for this activity have financial relationships to disclose.

8:15 pm to 8:20 pm: Closing Remarks and Acknowledgements by WMSHP Leadership

Platform: Zoom

Target Audience: Pharmacists

The University of Maryland School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity is jointly provided by the University of Maryland School of Pharmacy and the Washington Metropolitan Society of Health-System Pharmacists. No financial support was received for this activity.

Successful completion of each activity requires logging into the webinar, participation in the entire activity, and the completion of an online activity evaluation form.
